

# Easy Indigo Dyeing

April 15, 2018, ~2:30pm (after the Annual Meeting)  
Peace Lutheran Church (parking lot)

## Want to Get the Blues?

**Dye yarn, fabric and fiber with this easy indigo dyeing method using pre-reduced indigo crystals!**

- **Max of 16 participants, so sign up early!**
- Materials fee of \$5 per 8 oz of fiber, yarn or fabric dyed (Let me know if you need to dye more than a pound)
- Wear old clothes or an apron and bring rubber gloves.
- Bring waterproof bags to take wet items home.
- If you have a 5 gal plastic bucket, bring it!
- Try experimenting with tie-dye, shibori or ikat techniques with your yarn or fabric - tie your items at home, or bring string, rubber bands, etc.
- Pre-wet items to be dyed with water only. Please place loose fleece or roving in mesh bags. Make sure your skeins are loosely tied in several places. Mark them with waterproof tags (cut up Tyvek mailing bags and Sharpie are great for this) as once they are blue, skeins look alike! If using new fabric, wash and dry first.
- Indigo crystals will be available for purchase.

**The deadline to sign up is April 13<sup>th</sup>**
