

CVFG presents  
**Stenciled Reverse Appliqué**  
taught by Julie Bowersett

**Tuesday, February 11, 2020, 10 a.m. – 4 p.m.**

**Poppypointe Shop, McIntire Plaza, 1747 Allied Street, Suite J, Charlottesville**

In this full-day workshop you will learn to:

- cut a freezer paper stencil
- apply it to cotton jersey
- apply paint through the stencil
- stitch the stenciled fabric to another layer of jersey
- cut away a portion of the top layer to reveal the design

The morning will be spent stenciling, and we will spend the afternoon stitching and cutting. We will take a lunch break between the two sections. You will leave with a stitched sample (approximately 9" x 12") and the information you need to complete other projects on your own.

**Skill Level:** All

**Student Tool List:** If you like to use a thimble when stitching, please bring one. Also, if you are more comfortable using your own small, sharp scissors (4" embroidery scissors, for instance) feel free to bring those, too.

**Lunch:** We will break for a one hour lunch. Please bring your own lunch. There are some places nearby if you want to pick up.

**Cost:** \$45 CVFG Members, \$55 Non-members, Space is limited to 10 students.

**Supplies Provided:** Pre-printed freezer paper stencil, Cotton jersey in two colors, Paint, Sponges (for applying paint), Thread, Needles, Sequins and Beads.

**Also Available for use:** Iron and ironing board, Paper cutting scissors, Fabric cutting scissors
